

**Contraindications for Colon Hydrotherapy are any symptoms that may make it inadvisable to proceed with treatment.**

If you have a contraindication, you may still be eligible to receive colon hydrotherapy once the symptoms have subsided or been eliminated.

If you have any of the following symptoms please make sure to let me know prior to booking:

Abdominal Hernia

Abdominal Surgery

Acute Abdominal Pain

Acute Crohn's Disease

Cancer of the Colon or Gastro Intestinal (GI) Tract

Carcinoma of the Rectum

Congestive Heart Failure

Diverticulitis

Fissures or Fistulas

History of Seizures

Intestinal Perforations

Pregnancy

Recent Colon or Rectal Bleeding

Renal Insufficiency

Severe Hemorrhoids

Ulcerative Colitis

Uncontrolled Hypertension
